Case:	Regarding transfer to house arrest permanently	

### Statement of Compliance

While the judgment which was made against me in Case No. 132/Cr-C/2015 of Criminal Court, to imprison me for thirteen years, was being enforced, I was transferred to temporary house arrest with reference to the Medical Report No. DK/PRT/15/1242 of ADK Hospital, which advised to transfer me to a “stress free” place (like home) for three days. While this transfer was being enforced, upon consultation at ADK Hospital on 23 June 2015, the temporary house arrest was extended to eight weeks, with reference to the Medical Report No. ADK/PRT/15/1250 of ADK Hospital and instructions of the doctor to keep me in a “stress free” place (like home) for eight weeks. It was during the enforcement of this temporary house arrest I came to know that the remaining days of the judgment against me would be enforced as permanent house arrest, starting from 19 July 2015. Furthermore, during the enforcement of house arrest, I hereby agree not to violate any laws and

understand that such arrestees are forbidden from leaving house. Moreover, I also understand that this service has the discretion to file a new case against me at court if I do not comply.
